

## **HDFC Bank to adopt 15 flood-hit schools in Bihar**

- ***Donates Rs. 4 crore to Chief Minister's Relief Fund***
- ***To support relief and rehabilitation efforts in the flood hit schools***

**Bihar (Patna), August 8, 2019:** HDFC Bank today announced that it will adopt 15 schools in Bihar. As part of its long-term relief and rehabilitation efforts, this initiative is aimed at helping people in the worst-hit parts of the state recover, and encompasses the following:

- setting up medical camps
- distribution of emergency supplies
- supporting the renovation/reconstruction of drinking water and sanitation facilities in local schools

The Bank will be distributing food relief packets in 100 villages in the 12 flood affected districts thus impacting 8,000 households. Additionally, 15 schools in the state will receive infrastructure support post consultation with the state government. The Bank's local NGO partner Aga Khan Rural Support Initiative (AKRSPI) will help provide on-ground help in the process.

As a humanitarian gesture, the bank has also contributed Rs. 4 crore to the Chief Minister's Relief Fund as an immediate relief measure.

This is a part of the Bank's #Parivartan programme, the umbrella brand for all its social initiatives. It is the Bank's way of contributing to long-term, sustainable change in society as a whole.

**Ms. Nusrat Pathan, Head, Corporate Social Responsibility, HDFC Bank Ltd. said** *"We stand with the people of Bihar in this time of distress. Apart from providing immediate relief to the affected, we are working with our local NGO partner on long term measures like adopting schools in some flood affected districts. We are looking at refurbishment of schools damaged by the flood so that children can continue with their education as soon as possible. This is a small token of our effort to help bring normalcy in the lives of the people affected by the natural disaster."*

Speaking on this, **Mr. Sandeep Kumar, Head, Branch Banking, East, HDFC Bank** said “*At HDFC Bank, we believe in giving back to the communities that we operate in. Through this initiative; we hope to create a small impact in the recovery process from the natural disaster.*”
