

HDFC Bank Wins 7 Prestigious Awards at the 23rd Green Building Congress

HDFC Bank won 7 awards at the 23rd Green Building Congress. Indian Green Building Council (IGBC), that hosts the awards, is a part of Confederation of Indian Industry (CII), working towards wider adoption of green building concepts in India.

These awards are a recognition of the HDFC Bank's commitment to sustainable and environmentally responsible workspaces and infrastructure. The awards demonstrate the Bank's commitment to ESG goals. The Bank continues to participate in India's green-building movement.

The Bank secured top-tier Platinum Rating for both, new buildings and interior fit-out projects, and Gold Rating for offices and pan-India branches.

HDFC Bank's award winning projects include:

- Anantham, New Town, Kolkata – Platinum (New Building)
- Aranyam, Palava – Platinum (New Building)
- Regional Office Cum Training Centre, Mohali – Gold (New Building)
- Gigaplex B5, Airoli - Platinum (Green Interiors)
- Adithya Techno Park, Coimbatore – Platinum (Green Interiors)
- Commerzone, Porur – Gold (Green Interiors)
- Pan-India Branch Network: Gold (Green Interiors) – Over 2,700 Bank branches certified under Green Interior Rating category
