

BizBlack Metal Edition Credit Card Reward Points Program

Terms and Conditions

Important condition:

- Reward Points will be awarded in the customer's credit card account under the Reward Points scheme.
- The Reward Points will be processed as per the following table:

Spends on	Reward Points	Minimum spend to avail Reward Points
a. Bill payments via SmartPay & PayZapp. b. Income Tax/ Advance Tax payment via eportal.incometax.gov.in c. GST payment via payment.gst.gov.in d. Hotel & flight booking on MMT MyBiz powered by SmartBuy BizDeals e. Business software purchase via SmartBuy BizDeals – Nuclei	5X Reward Points (i.e., 25 RP)	Rs. 50,000 per statement cycle
Other Spends (excluding petrol, wallet, rent, education, EMI)	5 Reward Points	Rs.150

(For above mentioned spends, only eligible Transactions as per Bank will earn Reward Points.)

Note: Customer will not be eligible for 5X RP, if there are any reversal transaction happening within the statement cycle that brings down the minimum spend of Rs.50,000 required for qualifying for accelerated RP.

For example: If the cardholder spends Rs.1,00,000 in a billing statement cycle with following break up of spends

- Spends on PayZapp: Rs.10,000 | GST Payment: Rs.20,000 | Flight booking via MMT MyBiz : Rs10,000 | Payment Wallet load spends: 10,000 | other spends: Rs. 50,000
- Thus, the total spends eligible for Reward Points would be only Rs.10,000 + Rs.20,000 + Rs.10,000 + Rs.50,000 = Rs.90,000.

The Reward Points earned for the billing cycle in example would be calculated as follows:

- Accelerated 5X Reward Points of Rs.40,000 (Spends on PayZapp: Rs.10,000 | GST Payment: Rs.20,000 | Flight booking via MMT MyBiz : Rs.10,000) = 6,667 RP

Other spends of Rs.50,000 = 1,667 RP. Thus, the total Reward Points for the example would be 8,333 RP. This will be posted in the card account

- Accelerated 5X reward points on eligible business spends will be posted to customer by start of next statement cycle.
- Accelerated 5X Reward Points on Business Essential spends is capped at 7,500 RP per statement cycle. (excluding Wallet Load spends)
- All PayZapp transactions will be eligible for 5X Reward Points except spends on Clubs, Housing, Rent, Hospital, Education, Donation, fastag, Municipal tax, Mutual funds, Loans, Credit Card payments, Wallet Load.
- The transaction settled from the merchant will be eligible for Reward Points and settlement/Posting date of the transaction will be considered for points calculation.
- In case the purchase/transaction is returned/cancelled/reversed post statement cycle completion, the corresponding Reward Points will be reversed from next statement cycle Reward Points earnings.
- In case, customer has upgraded/ downgraded to any other card within the statement cycle, Customer will not be eligible for 5X RP posting on eligible business spends.
