

Greetings from HDFC Bank!

We hope you're enjoying the benefits of your **HDFC Bank Business Regalia Credit Card**.

We're making your lounge access even more convenient for you. Please note that **starting 5th January 2026**, spends based complimentary access to **domestic airport lounges** will be available **only through a Lounge Voucher**.

Swiping your Card at the lounge will **no longer be accepted** for spends based complimentary entry at domestic lounges.

What's Not Changing?

Your **2 spends based complimentary** domestic lounge accesses per quarter remain the same.

To qualify, simply **spend ₹1 lakh in the previous calendar quarter** (Jan–Mar | Apr–Jun | Jul–Sep | Oct–Dec).

Here's how it works:

- **Step 1:** Once you qualify, you will receive an **SMS and an Email** (on your registered mobile number and email) with a link to claim the voucher
- **Step 2:** Click the link in the message and **log in with your registered mobile number**
- **Step 3:** Claim the voucher
- **Step 4:** Present the voucher at the eligible domestic lounges and access the lounge

Thank you for choosing HDFC Bank. We're always working to make your experience better, safer, and more convenient.

Warm regards,
HDFC Bank
