Note –

1. No reward points will be given for EMI transactions, fuel, wallet load, gift cards, cash advances, credit card bill payments, charges, government payments, rental transactions, education fees, insurance, investments, jewelry purchases and any other categories excluded as per the Bank's internal policies.
2. Reward Points are credited once every month for eligible transactions that are settled in the previous calendar month.

For example: Reward Points for eligible transactions settled between 1 Jan – 31 Jan (based on posting date) will be credited to your card account on or before 15 Feb.

3. Exceptional scenarios - Virtual Payment Address (VPAs) and Terminal Identification Number (TIDs) for eligible rewards are updated at regular intervals at the Bank's end. If a transaction is eligible but Reward Points are not posted in the regular cycle, it will be considered for exception posting. The timeline for exception posting is up to 60 days from the transaction month.

For example: Reward Points for any eligible transaction settled between 1 Jan – 31 Jan (based on posting date) but not posted in the regular cycle will be credited on or before 31 Mar.

4. Reward points in the statement may differ due to the difference between the rewards posting cycle and the statement cycle.
5. Accrued reward points become available for redemption only after the statement is generated.

For example: If 1000 new reward points are accrued on 15th Mar'26, they can be redeemed only after the statement for that cycle is generated.

3. How do I redeem my reward points?

Customers can redeem their reward points in two ways –

- As cashback in the statement against their outstanding credit card balance through HDFC Bank Netbanking portal.
 - Towards a wide range of offerings on HDFC Bank SmartBuy platform.
- Redemption Value –
- 1 Reward Point is equivalent to Re.1 when redeemed as cashback against statement credit.
 - 1 Reward Point is equivalent to Re.0.3 of SmartBuy (Flights/Hotels, Airmiles & Product Catalogue).

Please Note –

- The minimum Reward Point balance required for redemption against the statement balance is 500 Reward Points.
- Unredeemed Reward Points will expire/lapse after 2 years from the date of accumulation
- Maximum cashback redemption of Rs 7,500 per calendar month.

If the cardholder opts for redemption as Cashback against statement, there will be no redemption fee levied.

4. What are the welcome benefits, and when will I receive them?

For PhonePe HDFC Bank Uno Credit Card, you will get:

- ₹249 gift voucher after making your first Rupay CC on UPI payment using the PhonePe HDFC Bank Uno Credit Card on PhonePe app.
- Scratch cards worth ₹25 each for the next 10 Rupay CC on UPI payments made using the PhonePe HDFC Bank Ultimo Credit Card on PhonePe only (excluding the first payment).

5. How will the reward points be calculated on PhonePe HDFC Bank Uno Credit Card?

If the cardholder spends ₹40,000 in a month with following break up of spends:

Spends on PhonePe Categories: ₹10,000 | Online Brands: ₹10,000 | Scan & Pay: ₹5,000 | Fuel Spends: ₹5,000 | Wallet Spends: ₹2,000 | EMI Purchase: ₹8,000.

Out of these Fuel, Wallet & EMI spends won't be rewarded with Reward Points.

Thus, the total spends eligible for Reward Points would be only ₹10,000 + ₹10,000 + ₹5,000 = ₹25,000

Reward Points earned would be:

2% (PhonePe categories) of ₹10,000 = 200

1% (Online Brands) of ₹10,000 = 100

PhonePe HDFC Bank Uno Credit Card FAQs(v.1.1.2 – 10th Mar'2026)

1% (Scan & Pay) of ₹5,000 = 50

Thus, the total Reward Points for example would be 350. This will be posted in the card account on or before 15th of the subsequent month.

6. Do I have to pay a fee for the PhonePe HDFC Bank Uno Credit Card?

Yes, the fee structure for this credit card is as follows:
