# How To Get Started

Visit www.hdfcbank.com
Click on 'Login'
Enter your customer ID and password and hit submit

To register for NetBanking:

## Online
Visit the NetBanking registration page
Enter your customer ID and confirm your mobile number to generate an OTP
Enter the OTP
Select your debit card and enter details
Set your IPIN
Login to NetBanking using your customer ID and new IPIN

## Through PhoneBanking
Call the PhoneBanking number in your city
Place a request by giving your Customer ID and Telephone Identification Number (TIN) or Debit Card and PIN
An IPIN will be couriered to the registered address within 5 days

## At an HDFC Bank ATM
Enter your HDFC Bank Debit Card number and your ATM PIN
Select 'Other Option' from the main screen
Select 'NetBanking Registration' and confirm
An IPIN will be couriered to you

## At a branch:
Download the NetBanking registration form | Individual or Corporate
Fill up the form and submit it to any HDFC Bank branch
An IPIN will be couriered to you
