

Get started in 3 easy steps

NetBanking

To transact using NetBanking:

- | | |
|--------|--|
| Step 1 | Visit www.hdfcbank.com |
| Step 2 | Click on 'Login' |
| Step 3 | Enter your customer ID and password, and hit submit |

To register for NetBanking

Online

- | | |
|--------|--|
| Step 1 | Visit the NetBanking registration page |
| Step 2 | If you have an Indian mobile number -- select the Debit Card and input the Debit Card details. Then confirm your mobile number and authenticate the transaction by inputting the OTP (One-Time Password) |
| Step 3 | If you have an international mobile number – you will receive a One-time Password (OTP) on the registered mobile number and your Email ID. You need to enter both the OTPs |
| Step 4 | Set an IPIN |
| Step 5 | Login to NetBanking using your customer ID and new IPIN |

Through Phonebanking

- | | |
|--------|--|
| Step 1 | Call the PhoneBanking number in your city and place a request by giving your Customer ID and Telephone Identification Number (TIN) or Debit Card and PIN |
| Step 2 | An IPIN will be couriered to the registered address within 5 days |

At an HDFC Bank ATM

- | | |
|--------|---|
| Step 1 | Enter your HDFC Bank Debit Card number and your ATM PIN |
| Step 2 | Select 'Other Option' from the main screen |
| Step 3 | Select 'NetBanking Registration' and confirm |
| Step 4 | An IPIN will be couriered to you |

At a branch

At a branch
